

Rhythm Kids™ 4–5

Rhythm Kids 4–5 is the next musical step for your preschool child (ages 4–5) with a parent or caregiver. Each week we drum, sing, dance, play rhythm instruments, and begin to play music-based games. Rhythm Kids 4-5 guides children toward developmentally appropriate music and movement activities, where they can begin to take charge, lead others, and be musically creative, as they:

- make up their own drumming patterns;
- invent new ways to play rhythm instruments (shakers, sticks, etc.);
- create movement ideas for songs;
- and even take a drum solo!

Rhythm Kids 4–5 follows through on the Music Together® vision to help children complete the pathway of early childhood music development from birth through age eight.

Classes are for preschoolers ages 4–5 and include:

- 10 weekly, 45-minute classes
- Animal Collection Songbook and 2 CDs each semester
- Access to online drum-play videos and other material

Your child will:

- Explore the world of rhythm through movement, instrument play, and song
- Develop basic rhythm skills, like keeping beat, improvising, ensemble play, and soloing
- Learn to create, cooperate, and express themselves musically

Drums will be provided for the class each week (or you can bring your own). Just add hands!
